“Is the OUR FATHER really meant to help us in our DAILY LIVING?”

3 Part Series

Part 1

Welcome to our complimentary course on the Our Father and how it really is meant to help us live out our daily lives...

First off, we will dissect it piece by piece so that we have a clear understanding of what is really being communicated to us from Jesus. Please take your time really savoring the words of Christ to come to fully grasp what He wanted us to know. In our first part series, we will look at the "Our Father", "Who Art in Heaven", and "Hallowed be Thy Name" piece...

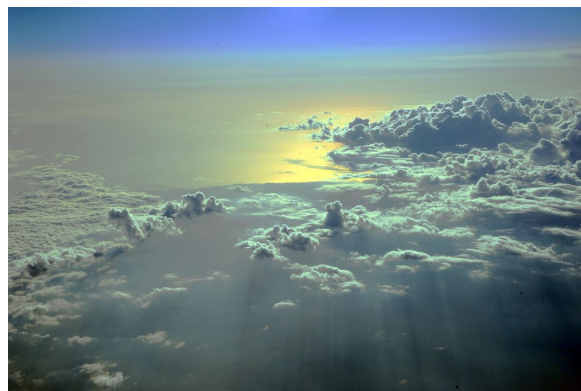

Our Father...Here we are taught to address God as our real Father so to understand the type of relationship we are to have with Him. Although He is our magnificent King, Lord, and I AM, He is also our loving, tender, merciful, and tender Father to which He most desires us to go to Him ("I Thirst For You" by

Mother Teresa). He so thirsts for all our longings, pains, joys, anything we would tell our own dad; He desires to embrace us and make us new and let us feel His joy and saving grace. It is in Jesus' words that we come to fully establish Who He really is to us and for us.

Who Art in Heaven... Our Father is in Heaven, in His Glorious Zion He has prepared for us to enjoy and partake in forever. Jesus wants us to remember His love and presence are always with us-He sent us His Spirit to guide and be our advocate here on earth to help us enter into the Kingdom of Heaven. Heaven is also here though too. Heaven is the presence of God and His love. He is then all around us, not up high far away as a distant god, but rather ever close and present in our daily midst in all we do, think, feel, and live. Heaven is the holiest of Holy's and in Him we shall find rest and peace, the peace the world cannot offer. We must remember where He is so can want to be there as well. We must remember our place so that we know in humility that He is God above all gods and mankind. Let us go to Him, Father in heaven, in prayer, knowing He is with us always.

Hallowed be Thy Name...He is the Most High, Holy God, Savior, King of Kings, Holy Adored, and Sacred above all else. We were taught by Jesus' modeling that we must remember to be obedient to His will for HE is Holy indeed. His will is for us, not against us. He made us to be abundant and live life to the fullest with the gifts He bestowed upon us. In His holiness, we are made in HIS image-this means we are called to holiness too. In His obedience, we have learned that the Will of the Father must come first because He truly knows what we need and when we need it-We only need to trust and connect in that Holiness He has so freely given us -Holiness to live in kindness, respect, service for others, genuine compassion for others, and enjoying our daily lives.

Peace, Joy, and You!

Some questions to ask?

How do I view my daily living? How does this prayer reflect who I really want to be and how can I make it happen?

I hope you have truly been able to reflect on the words of our Jesus and will walk away feeling refreshed and enlivened to live your life with purpose and passion so that Peace and Joy will be Yours!! The next part (Part 2 of 3) will focus on "They Kingdom Come", "Thy Will Be Done on Earth as it is in Heaven", and "Give us this Day our Daily Bread."
